Giving back this Christmas

As a family business, we believe in the importance of supporting the community that supports us. This year, we're proud to give back by supporting Help for Kids and The Hamish McHamish Foundation.

A discretionary charge of £1 will be added to your bill to donate to these wonderful charities. The donation will be sent directly to the charity to help children and families this Christmas.

You can also donate by scanning the QR code below. Fundraising will start from the 1st October and will continue throughout the festive season. Last year you helped us raise a massive £5,000.
